

Sebald Park Middletown, Ohio

Located at 5580 Elk Creek Road near Middletown, Sebald is one of Butler County's metroparks and offers 6.17 miles of hiking and horse riding trails throughout the park.

Of the four trails are located at Sebald Park, three are open to equestrian usage. The Butler County OHC chapter has done a fabulous job in marking and maintaining these trails.

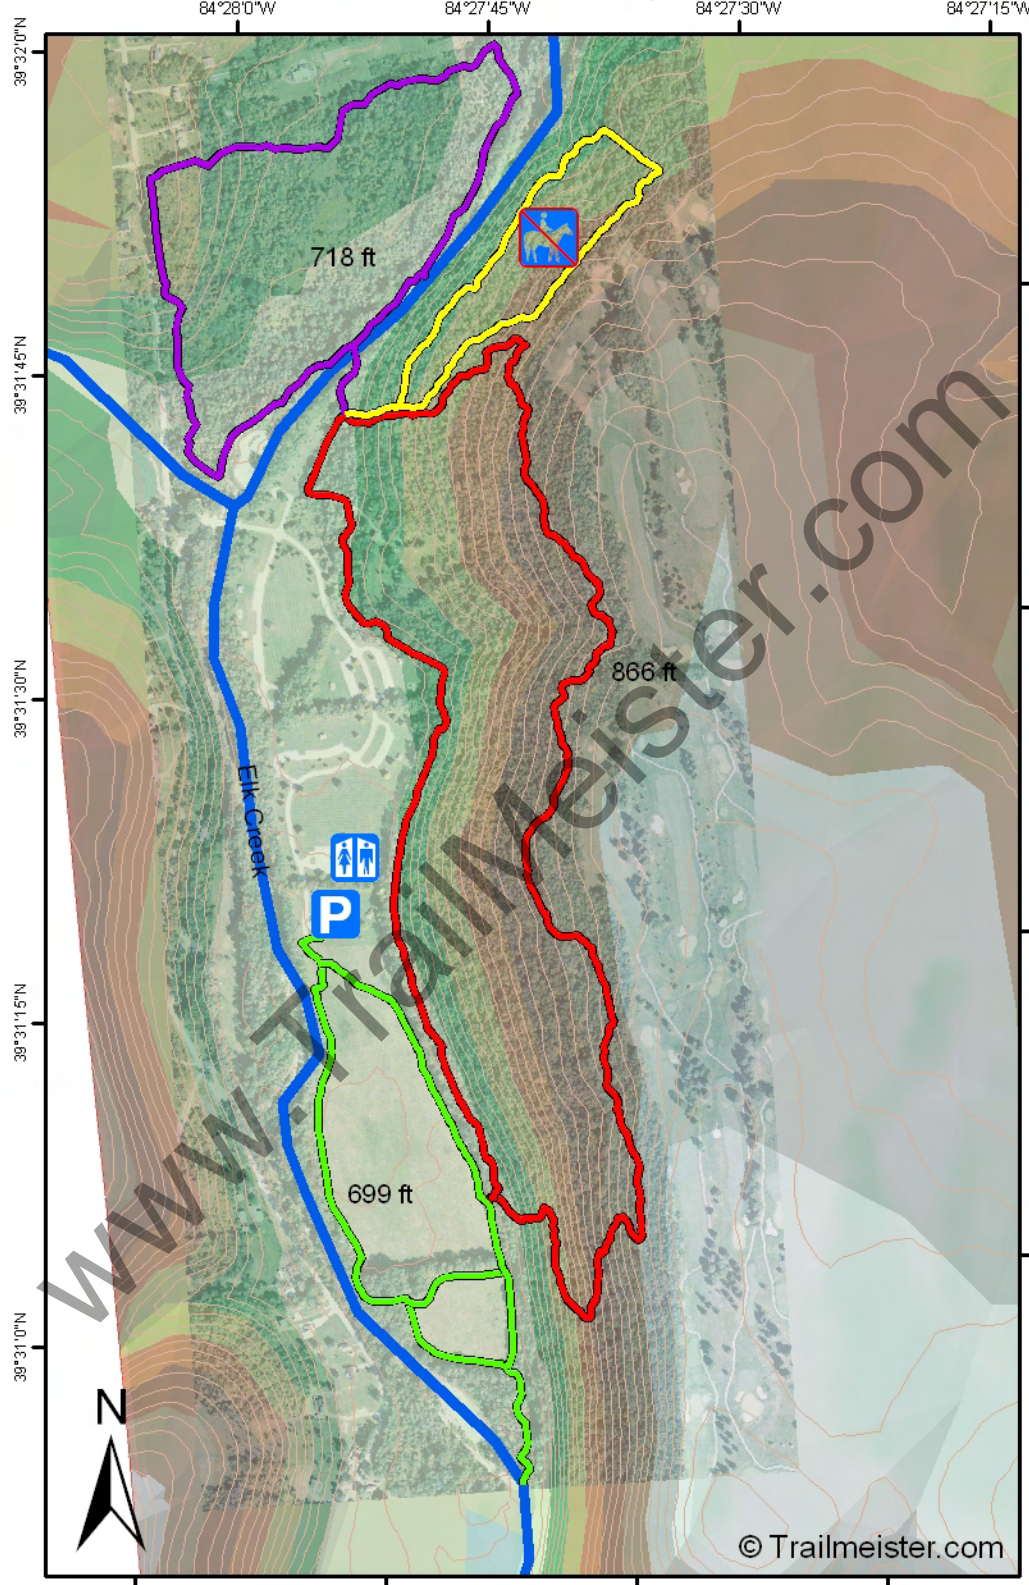

Meadow Loop (flat and easy, .94 miles)

Falls Loop (Shallow creek crossing, slight easy climbs, 1.31 miles)

Hillside Loop (steep climbs and some muddy spots, 2.26 miles)

A great loop circuit can be made by taking the Meadow Loop along Elk Creek from the parking area to the Hillside Loop and then following the lower Hillside Loop to the Falls Loop. Return along the upper Hillside Loop back to the Meadow Loop and back to the horseman's parking area.

The Foot Trail loop (easy with slight climbs, .83 miles) is closed to horse traffic but is well worth the hike as it crosses several ravines and through beautiful mature woods.
