FOR EMERGENCIES, PLEASE CALL 9-1-1.

Explore a rich history rooted in the ancient Western Cross Timbers.

You're visiting the Western Cross Timbers, where Native Americans, legendary cattlemen, and health seekers all found sustenance. Witness the history of a community by hiking, biking, or horseback riding on more than 11 miles of trails in the park. Choose from nearby waterfront trails, or explore the scenic backcountry Cross Timbers trails.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

CLIMB SMART. All climbers and rappellers must check in at headquarters. Climbing and rappelling permitted only in Penitentiary Hollow.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Campfires are permitted only in designated rings. Ground fires are not permitted in the primitive camping area or backcountry trail area.
