NATRC Competitive Trail Ride

August 20th, 2022

Escape the summer heat and ride the cool forests of Mendocino County with NATRC at the Jackson Forest Competitive Trail Ride. The horse camp is reserved for NATRC Friday and Saturday. This is a public horse camp, and you can extend your stay either before or after the ride. Take advantage of camping extra days in this lovely area. Camping is under the towering redwood trees with lots of shade. If you've never gone, then you NEED to go this year.

This is a B ride (one day-Saturday only) for all divisions: Open, CP, Novice and Leisure. The entry forms are posted on the Region 1 website (www.natrcregion1.org) and contain additional information regarding the camp facilities and directions. Limited to 30 riders so submit your entries as soon as possible. Volunteers always welcome! Notify ride management if interested.
