

-  Trail Entrance
-  Exit Only
-  Main Trail
-  Cornfield Trail
-  Obstacle Course/no specific trail

Trails go in one direction. Please follow the arrows and stay on the mowed paths. Where you see tall grass in between the trails, cornfield, hay fields, and our mowed paths is where we planted 12,000 trees. We don't want them to get stepped on.

If you see anything that needs our attention, please let us know so we can fix it as soon as possible.

Any manure that falls on the trails is just good old fertilizer in our opinion. Leave it where it falls :)

We hope you enjoy your ride.

Thank you
